

CHILD CARE SOLUTIONS

navigating the way to high quality child care

Who We Are

Child Care Solutions believes that high-quality child care is a vital community resource that supports families, enhances economic productivity, and nurtures children's growth. Established in 1975, Child Care Solutions is a not-for-profit organization dedicated to providing information and resources to parents, providers, employers, and community leaders in Onondaga and Cayuga Counties (NY) who are seeking solutions to their child care needs.

About the Gala

On March 29, 2025, Child Care Solutions will proudly celebrate our 50th anniversary, marking five decades of unwavering dedication to supporting and coordinating child care in Onondaga and Cayuga County.

To celebrate this significant anniversary and the vision that lies ahead, we are hosting our first-ever fundraising event on Saturday, March 29, 2025, from 5:30 to 8:30 PM at the Sky Armory in Downtown Syracuse. The proceeds from this Gala will provide resources to families with young children and child care professionals in our community.

What We Are Asking For...

In support of the Gala, we are asking for donations to be auctioned off at the event. Items will be available for bidding exclusively to guests at the event, and winners will be announced at the end of the evening.

Your generous support can make a significant impact on the success of the event and, more importantly, on the lives of the children and families we serve.
